

Holiday Wish List

Each year around the holidays, PEI Kids reaches out to community members in the hopes of obtaining gifts for the children we serve. And, each year, the community responds wonderfully to our request!

You can help us deliver a warm smile and a personal gift so each child knows they are celebrated and appreciated. To help us fulfill this year's Holiday Wish List for the kids in our Intervention programs, you can purchase and deliver items to our office, or contact us at (609) 695-3739 ext. 110 or email information@peikids.org to make arrangements.
