About Us

PEI KIDS is a trusted name in child safety for over 40 years. Established in 1985, our mission is dedicated to fostering child-safe communities through expert crisis, preventative, and intervention programs addressing personal safety, sexual abuse, and the overall wellbeing of vulnerable children.

Our dedication to excellence has made us a leader in child safety training, education, prevention, and intervention services in the region.

Timothy P. Ward,
Assistant Prosecutor, SVU

"We are fortunate here in Mercer County to have an organization like PEI Kids providing these services..."

Patricia M. Hart, LCSW
Executive Director (ret.)

"Without programs like PEI Kids'...not only will victims and their families not get the counseling they need to heal, this vicious cycle will only continue."
